**** If you own 6-500 bulk plants, dues would be calculated from the table above. Select the correct gallonage category for total gallonage of all your bulk plants.**

Add an additional \$285 for each plant from 6-500.

Example: 7 plants at 2 million gallons. Dues would be \$1380 + \$285 + \$285 = \$1950

Thank you for your continued support of YOUR association.

FYI: SDP2MA only retains a small portion of the propane dues. At the maximum (2 million gallons) the dues for SD are only \$530. The remainder (\$850) is required to be remitted to NPGA. (Minimum dues, \$700, SD keeps \$150 and remits \$550 to NPGA) Applies to all propane tables.
